MISSION STATEMENT

Our mission is to improve and enhance the business community of our area and to help our members prosper. The Chamber serves as a catalyst for economic success of it's members, our borough and the surrounding communities; providing opportunities for growth, leadership, community partnerships and a voice for the business community.

MEMBERS BENEFITS

New Resident Welcome Programs: Each new homeowner is given a tote bag filled with merchant information and/or discounts. You can include any promotional material you would like – flyers, pens or calendars, for example. Your options are limited only by your imagination.

Chamber Website: www.rutherfordchamber.com Our state of the art website provides information on member activities, business resources, clubs, organizations and transportation. It is also linked to the Rutherford Municipal Website, thereby increasing our exposure in the community. Members receive an opportunity to design their own web page and can make changes on a monthly basis. If you have an existing website, we will list and link to it too? Display your products and services, have sales, have fun and make money.
